**TO : THE STUDENTS POPULACE**

**REF : INTRODUCTION OF BLENDED LEARNING**

=====

This serves to inform all students that after a careful assessment and consultation with relevant authorities it has been resolved to continue the year using the blended mode of learning.

Depending on the nature of the course, some classes will have physical contact whilst others will continue being taught on various online platforms.

Schools will determine the modes of delivery for each course and this will be communicated to students through the students' portals.

All guidelines issued by the Ministry of Health will be strictly adhered to.
